During a standard Dog Walk we offer some options of things we'll do:

- **We walk and play with your dog for 30 minutes or more**
- **It's an opportunity for your dog to socialize with others**
- **It's an opportunity to relieve himself or herself**
- **We can provide a daily pet report**
- **We make sure fresh food and water are available**
- **We can provide medications (*see charges, we don't do shots)**
